# QUAID'S MESSAGE

Quaid-e-Azam has always laid immense importance on the role of education in shaping lives and his message for the students is;

"Pakistan is proud of her youth, particularly the students, who are nation builders of tomorrow. They must fully equip themselves by discipline, education, and training for the grueling task lying ahead of them." Students must concentrate on gaining knowledge and education. It is your foremost responsibility. Political awareness of the era is also part of your education. You must be aware of international events and environment."

"Without education it is complete darkness and with education it is light. Education is a matter of life and death to our nation. The world is moving so fast that if you do not educate yourselves, you will be not only completely left behind but will be finished up. The Holy Prophet (S.A.W) had enjoined his followers to go even to China in the pursuit of knowledge. If that was the commandment in those days when communications were difficult, then, truly, Muslims as the true followers of the glorious heritage of Islam, should surely utilize all available opportunities. No sacrifice of time or personal comfort should be regarded too great for the advancement of the cause of education."

*(Opening ceremony of State Bank of Pakistan, Karachi 1st July 1948).*

## MESSAGE FROM THE CHANCELLOR

Dear Students,

I warmly welcome the students coming from diverse parts of the country for joining Baba Guru Nanak University (BGNU) to pursue undergraduate and postgraduate studies. Baba Guru Nanak University is one of the newly established Public Sector Universities of Punjab in the historical city of Nankana Sahib, sharing a culturally rich historical legacy of Sikh Heritage with global impression.

Baba Guru Nanak University has a great potential to contribute to the knowledge based economy by producing professionals equipped with innovative and critical cognitive skills essential for competing in the global workforce market.

With the vision of transforming students through experiential learning and evidence-based knowledge, we synergize academia-industry linkages to integrate market-oriented skills in the curriculum; harness job-driven competencies among students and increase the career prospects of our graduates.

I invite you to learn, collaborate and excel with the community of Baba Guru Nanak University Nankana Sahib.

I wish you all a very happy stay and a bright future ahead.

## Muhammad Baligh Ur Rehman

Chancellor / Governor Punjab

## MESSAGE FROM THE PRO-CHANCELLOR

Dear Students,

This is an era of Higher Education as it enables the individuals to expand their knowledge and skills, express their thoughts clearly in speech and writing, grasp abstract concepts and theories and increase their understanding of the world and their community. In this regard, varsities play an active and pivotal role. I believe that Baba Guru Nanak University (BGNU) students are blessed ones who avail themselves of the opportunity of getting education at such revered and prestigious university of the country and in future they will contribute to a variety of fields not only in Pakistan but also abroad.

I wish you a great learning experience under the supervision of highly qualified and experienced faculty members to serve humanity with motive.

**Mr. Mansoor Qadir**

Pro-Chancellor / Minister of Higher Education, Punjab

## MESSAGE FROM THE VICE-CHANCELLOR

Dear Students,

I am pleased to welcome the new entrants to 2023. Your admission in this great place of learning will, Insha'Allah, open up new horizons for your future professional success in the disciplines of your choice. With its efficient staff and qualified faculty, Baba Guru Nanak University (BGNU) offers modern teaching and research facilities to its students. We seek to equip our graduates with advanced knowledge, critical thinking and professional skills suitable for a highly competitive national and global job market.

Our mode of teaching at this university is not merely confined to imparting knowledge, but we also seek to inculcate among our students the rich cultural and religious values we have learned from our parents and elders. The aim is to produce not merely skillful professionals but also responsible citizens. We remain committed to providing quality education to the students by consistently improving our teaching standards and research facilities.

I wish all of our new students an exciting time ahead. I have no doubt that you will all contribute to the rich heritage of quality education at this great institution.

## Prof. Dr. Muhammad Afzal

Vice-Chancellor,  
Baba Guru Nanak University Nankana Sahib

# WELCOME TO BGNU

We are a forward-looking institution geared to generating and disseminating cutting-edge knowledge. The Baba Guru Nanak University (BGNU), Nankana Sahib is a public sector institute situated in Punjab, that is a commercial and cultural hub of Pakistan. The District Nankana Sahib is home to festivals and a place of unique cultural combinations. Due to the historic richness and cultural versatility of this place, BGNU intends to accommodate about 20,000 and 25,000 local and international students at the university campus. On October 28, 2019, the university's cornerstone was placed commemorating Guru Nanak Gurpurab's 550th by the Prime Minister of Pakistan, and the Government of Punjab honored the University publicly on July 02, 2020 by passing the BGNU Act (X of 2020).

The BGNU campus covered a land area of 107 acres including, administrative blocks, academic blocks, central library system, general and core laboratories, gymnasium, auditorium, play grounds, indoor sports facility, parks, mosque, girls and boy's hostels, faculty residential facility, and cafeteria. The financial plan for this endeavor has already set aside and the first cost of Rs. 6 billion to be spent over three phases on building of BGNU. The Communication and Works Department of Punjab has already begun the development work for Phase-I.

In this modern era, the societal growth and advancement is not possible without educational and research expansion. That's why being a student-centered learning community, BGNU has established the faculties belongs to the domains of "Natural Sciences and Technology", "Social and Behavioral Sciences", "Management Science", "Languages and Liberal Arts", and "Theology and Religion". Furthermore, in near future we are going to introduce the faculties of

"Medicine", "Pharmacy", "Law", "Engineering", "Music" and "Oriental Learning". As we are committed to offer the exceptional academic and research resources to our students to outshine in their academic and professional future. For this purpose, we established highly equipped research laboratories for scientific training of our students. In addition to this, BGNU has a well-established and dedicated computer lab with 150 computers. This computer lab is well-equipped cater to the needs of our students and faculty for various computer-related activities, ensuring a conducive learning environment. We believe that power of knowledge along with the appropriate managerial skills can transform the society and overall world. Hence, apart from studying, extra-curricular activities such as, participation in various societies, organizing seminars, workshop, conferences, trainings, study tours, debating, and sports, competitions etc. and other activities are highly encouraged in BGNU. Playgrounds are also available to male and female students at BGNU for various sports activities including cricket, badminton, football, basketball, kabaddi, running, and jumping. BGNU hosts the sports gala on annual base to develop the skills and enthusiasm of the students.

We are shaping the futures of generations through the prodigious learning environment, state-of-the-art infrastructure, formation of student-centered community, and highly equipped faculty with educational novelties in their specialism.

It is our firm believe that graduates of BGNU would be able to positively impact the world through serving various prestigious organizations and forums such as, different universities, educational, and research institutions at national and international levels.

## ***OUR MISSION***

With an all-inclusive approach, BGNU is committed to providing an equitable and conducive environment with state-of-the-art facilities and professional training to its staff, faculty, and students, irrespective of class, color, creed, and religion.

The University strives to serve as a premier gateway in developing linkages with the international community to preserve and promote Sikh heritage, focusing on Punjabi language worldwide through research and literature.

The University intends to provide students with a healthy learning experience based on critical thinking, innovation and leadership skills.

## ***OUR VISION***

With a transformative vision, Baba Guru Nanak University (BGNU) aspires to serve the community through collaborative research with the global scientific community, foster peace and harmony through a holistic approach, and contribute to society through the pursuit of quality education, creative learning, productive research and knowledge economy with innovative academic reforms.

# CORE VALUES

# ***DISTRICT AT A GLANCE***

Nankana Sahib is one of the most famous towns of South Asia and it derived its name from Baba Guru Nanak (1469-1539 AD), the first guru and founder of Sikhism—fifth largest religion of the world that originated from the Punjab region of Indian subcontinent. The place where present city of Nankana Sahib is located was known as Rai Bhoi di Talwandi before being identified with the present name. Rai Bhoi, a Hindu landlord, established the township and his great grandson Rai Bular Bhatti renamed it as Nankana Sahib due to Rai family's reverence and devotion for Guru Nanak. The city's universal fame owes itself to Gurdwara Janamasthan i.e. the birth place of Baba Guru Nanak. Besides Janamasthan, Nankana Sahib has the distinction of possessing nearly five major more Gurdwaras including Gurdwara Patti Sahib, Gurwara Bal Leela, Gurdwara Mal Ji Sahib, Gurdwara Kiara Sahib and Gurdwara Tambu Sahib. Being located at the birth place of its founder, all of these gurdwaras are the most sacred places of the Sikhs around the world. Most of these gurdwara buildings exhibit Indo-Islamic architecture and were constructed, improved and refurbished during the Ranjit Singh rule (1801-1839 AD). Sikhs are an international diaspora community and their connection with Nankana Sahib is eternal due to their religious pilgrimage of this site. Hence, Sikhs around the globe hold this place in highest esteem.

Nankana Sahib is located almost 91 KMs west of Lahore and about 75 KMs east of Faisalabad (formerly Lyallpur) and it is connected with Pindi Bhattian-Faisalabad Motorway as well as Lahore-Multan Motorway. The city and its surroundings formed a tehsil of Sheikhpura district till May 2005 when the Punjab government raised the status of Nankana Sahib to a district. Presently it has three tehsils namely Nankana Sahib, Shahkot and Sangla Hill. However, before December 2008, district Nankana Sahib also included Safdarabad tehsil as well. The district boasts the highest proportion of Punjabi language in the province with 98.75 percent speakers.

It was in 2007 that Government of Pakistan announced a plan to establish a university on Sikh religion and culture at Nankana Sahib. In 2019, the historical gurdwaras of Nankana Sahib were given direct access to pilgrims visiting via Kartarpur corridor which will provide a yet more major fillip to Nankana Sahib as the leading place of religious tourism in Pakistan.

# DEPARTMENT OF BOTANY

The field of botany enjoys the distinction of possessing a robust faculty complement and academic initiatives that include undergraduate programs. The primary objective of this discipline is to impart high-caliber education, empowering students to distinguish themselves in both scholarly pursuits and research endeavors. Numerous projects, backed by national and international funding, are currently in progress, with an emphasis on expanding knowledge and competencies to foster advancements in research and innovation.

# DEPARTMENT OF CHEMISTRY

The Bachelor of Science in Chemistry provides comprehensive insights spanning from fundamental to advanced concepts, encompassing a diverse array of chemical disciplines. Students will attain proficiency in both basic and cutting-edge principles within the field, enabling them to engage in research across contemporary domains like materials chemistry, nano-chemistry, bio-inorganic chemistry, and polymeric chemistry. This program not only imparts a profound understanding of chemistry but also establishes connections with related fields such as biology, environmental science, and physics. Over the course of four years, students will develop the capacity to employ various methodologies for problem-solving and conduct experimental work, thereby cultivating skills essential for their future endeavors.

# DEPARTMENT OF ZOOLOGY

Zoology, a division of biology, is dedicated to the comprehensive exploration of animals and their existence, encompassing the meticulous investigation of animal structure, function, and classification. This multidisciplinary field addresses the entirety of animal life, undergoing a substantial transformation in tandem with the progress of contemporary scientific knowledge. Beyond the foundational classical domains, zoological sciences now incorporate numerous contemporary disciplines. Fundamental areas of study include the morphology of both vertebrates and invertebrates, physiology, ecology (environmental biology), embryology (developmental biology), genetics, evolution, taxonomy, entomology, parasitology, microbiology, freshwater biology, fisheries, wildlife, and conservation.

# DEPARTMENT OF MATHEMATICS

The Bachelor of Science in Mathematics program caters to individuals aspiring to delve into the realm of Mathematics. Serving as a fundamental and potent problem-solving tool, Mathematics stands as a profoundly creative field of study. It holds paramount significance across various societal domains and serves as a cornerstone for an array of careers. Graduates in Mathematics are sought after and can secure lucrative positions in fields such as education, investment banking, finance, civil service, pharmaceuticals, and medicine statistics, among others. The heightened employability of Mathematics graduates stems from their cultivated advanced problem-solving abilities, analytical skills, and elevated numeracy skills acquired through the study of this discipline.

# DEPARTMENT OF PHYSICS

The Department of Physics cultivates an enriching milieu for the scholarly and professional advancement of its students through the establishment of academic and research affiliations, both locally and internationally. The department's commitment to facilitating comprehensive comprehension within the field is evidenced by its recent orchestration of national and international conferences, seminars, and workshops. A physics degree serves as a formidable foundation for pursuing a career in scientific research, extending its applicability to diverse sectors such as business, finance, information technology, and engineering.

# DEPARTMENT OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Computer Science integrates the study of computers and computational systems, encompassing artificial intelligence, computer systems, networks, security, database systems, human-computer interaction, vision, graphics, numerical analysis, programming languages, software engineering, and theory of computing. Computer scientists address abstract challenges such as determining solvable problems and algorithm complexities, as well as concrete tasks like designing user-friendly, secure applications for handheld devices. Due to the rapid pace of technological change, computer system engineers must maintain a strong desire for continuous learning. Computer science majors should also exhibit curiosity about the world, as computer programs and systems impact various aspects of real-life improvement. The Department of Computer Science is actively embracing outcome-based education (OBE) to transform and align its education system with practical applications.

- Department of Psychology

# DEPARTMENT OF PSYCHOLOGY

Facilitating students' readiness for a profession in psychology involves imparting key concepts and exemplifying ethical conduct inherent to the field. Applying a nuanced understanding of psychology, encompassing decision-making strategies, life span processes, and diverse career trajectories, enables the strategic formulation of career choices. The articulation of preferred career paths is predicated on a precise self-assessment encompassing abilities, achievements, motivation, and work habits.

# **DEPARTMENT OF ENGLISH LANGUAGE & LITERATURE**

The Department of English at BGNU is dedicated to highlighting the critical importance of Linguistics and English Literature, recognizing them as parallel and often interconnected disciplines. BGNU is committed to promoting a research-driven pedagogical approach that integrates both synchronic and diachronic perspectives on language, encompassing aspects of form and meaning. Moreover, the department is attuned to the subtle nuances inherent in the aesthetic experience, emphasizing the practical application of aesthetic principles to literary works. Simultaneously, it endeavors to deepen students' comprehension of English literature, history, and writing styles, encompassing techniques employed throughout different eras.

# DEPARTMENT OF FINE ARTS

The BGNU Bachelor of Fine Arts (BFA) Program serves as a pathway to interdisciplinary creative realms crucial for shaping global visual culture. This curriculum delves into the theory and application of artistic development, considering both local and global perspectives. It encompasses fundamental, experiential, research, and critical approaches to the artistic domain. Students are expected to demonstrate a high level of technical expertise and a comprehensive understanding of art history and theory, enabling them to position their work within the broader context of contemporary art. The Visual Arts Program is dedicated to delivering a well-rounded education that harmonizes technical proficiency, conceptual thinking, and critical involvement. We assert that artists should possess fluency in the language of their chosen field and a robust grasp of the historical, social, and political contexts influencing their work. The program establishes a solid groundwork for students aspiring to pursue careers in the arts, whether as practicing artists, designers, educators, or administrators.

# **DEPARTMENT OF ISLAMIC STUDIES & ARABIC STUDIES**

The BS Islamic Sciences program has been meticulously designed to meet the evolving needs of the global Islamic society. Its primary objective is to cultivate graduates who not only possess a profound understanding of Islamic knowledge but also exhibit leadership qualities and professional expertise. The University of Faisalabad envisions that successful completion of this program will empower graduates to make scholarly contributions towards advancing the socio-economic landscape of their community. The program's overarching goals and objectives include establishing a robust mechanism for nurturing a generation of scholars dedicated to enhancing Islamic culture and civilization. It also aims to produce visionary, creative, and proficient professionals capable of applying their knowledge effectively. Additionally, the program is committed to maintaining a consistently high academic standard in every discipline, fostering a scholastic attitude, encouraging collective effort among graduates in pursuit of knowledge, and instilling the true spirit of Islamic civilization. Furthermore, it seeks to create a conducive environment for prosperity, character building, and professional excellence while promoting awareness and motivation for adopting lifestyles based on universal principles of justice, fraternity, and brotherhood.

- At the end of 1st semester, a student must pass at least 50% courses with minimum 1.75 GPA.
- After the Academic Year (including 1st, 2nd and summer semester) minimum required CGPA for completion of Degree is 2.50\*.

\*At the end of the Academic Year, if a student obtains CGPA<2.50, he/she must pass fail courses or/and improve already pass courses as and when offered in order to obtain minimum required 2.50 CGPA to complete degree within stipulated time period (maximum two years).

### For 2-Year program

- At the end of 1st semester, a student must pass at least 50% courses with minimum 1.75 GPA.
- After first Academic Year (including 1st, 2nd and summer semester) minimum required CGPA for promotion is 2.10
- After second Academic Year (including 3rd, 4th and summer semester) minimum required CGPA for completion of Degree is 2.50\*

\*At the end of second Academic Year, if a student obtains CGPA<2.50, he/she must pass fail courses or/and improve already pass courses as and when offered in order to obtain minimum required 2.50 CGPA to complete degree within stipulated time period (maximum four years).

### For 3-Year program

- At the end of 1st semester, a student must pass at least 50% courses with minimum 1.75 GPA.
- After first Academic Year (including 1st, 2nd and summer semester) minimum required CGPA for promotion is 2.10
- After second Academic Year (including 3rd, 4th and summer semester) minimum required CGPA for promotion is 2.20
- After third Academic Year (including 5th , 6th and summer semester) minimum required CGPA for completion of Degree is 2.50\*

\*At the end of third Academic Year, if a student obtains CGPA<2.50, he/she must pass fail courses or/and improve already pass courses as and when offered in order to obtain minimum required 2.50 CGPA to complete degree within stipulated time period (maximum five years).

### For 4-Year program

- At the end of 1st semester, a student must pass at least 50% courses with minimum 1.75 GPA.
- After first Academic Year (including 1st, 2nd and summer semester) minimum required CGPA for promotion is 2.00
- After second Academic Year (including 3rd, 4th and summer semester) minimum required CGPA for promotion is 2.10 and After third Academic Year (including 5th, 6th and summer semester) minimum required CGPA for promotion is 2.25

iv. After fourth Academic Year (including 7th, 8th and summer semester) minimum required CGPA for completion of Degree is 2.50\*

\*At the end of fourth Academic Year, if a student obtains CGPA < 2.50, he/she must pass fail courses or/and improve already pass courses as and when offered in order to obtain minimum required 2.50 CGPA to complete degree within stipulated time period (maximum six years).

#### **For 5-Year program**

i. At the end of 1st semester, a student must pass at least 50% courses with minimum 1.75 GPA.

ii. After first Academic Year (including 1st, 2nd and summer semester) minimum required CGPA for promotion is 2.00

iii. After second Academic Year (including 3rd, 4th and summer semester) minimum required CGPA for promotion is 2.10.

iv. After third Academic Year (including 5th, 6th and summer semester) minimum required CGPA for promotion is 2.20.

v. After fourth Academic Year (including 7th, 8th and summer semester) minimum required CGPA for promotion is 2.30.

vi. After fifth Academic Year (including 9th, 10th and summer semester) minimum required CGPA for completion of Degree is 2.50\*

\*At the end of fifth Academic Year, if a student obtains CGPA < 2.50, he/she must pass fail courses or/and improve already pass courses as and when offered in order to obtain minimum required 2.50 CGPA to complete degree within stipulated time period (maximum seven years).

11.7 The student who has already been readmitted as per regulation No 11.6 and again fails to maintain required CGPA in any academic year will be "Dropped" from the program and ceased from university rolls and will not be readmitted in any circumstances.

#### **12. AWARD OF DEGREE**

12.1 A minimum of 124 credit hours are required for 4 or 5-year BS or equivalent degree program.

12.2 A minimum of 66 credit hours are required for graduate 2-year MA/MSc or equivalent degree program.

12.3 A minimum of 31 credit hours are required for 1-year degree program.

12.4 Degree shall be awarded to the students only who have completed all the degree requirements by passing all courses specified in scheme of studies by securing at least 2.50 CGPA.

12.5 If any student is not able to clear one subject even after last semester within prescribed time limit, (s)he may be given the transcript with fail course on request declaring him/her pass overall.

#### **13. AWARDS: SCHOLARSHIP/POSITION**

13.1 Scholarship to the students shall be awarded on the basis of academic performance in a semester and shall be determined on the basis of Baba Guru Nanak University Merit Base Scholarship (BGNUMBS).

13.2 Award of position on completion of the degree program shall be determined on the basis of CGPA. In case of tie between two or more students having equal CGPA, their overall percentage of marks obtained in all the semesters shall be considered. A student with higher percentage shall be awarded the first position and so on. However, if their overall percentage of marks is also equal, they shall be considered on the same position.

#### **14. GRADE IMPROVEMENT**

14.1 A student may repeat the course(s) during the course of study to improve the grades. In this case student shall enroll the course(s) with the permission of the Chairperson/Principal/ Director of the Department/College/ Institute/School in the semester in which the course(s) is being offered, by paying the prescribed enrollment fee. Such course(s) shall be marked under asterisk (\*) in the semester/official transcript.

14.2 A student who has obtained the final transcript issued by the Controller of Examinations can also improve his/her grades by enrolling the course(s) within the prescribed time limit of the program.

14.3 In case of improvement, the better grades shall be reflected on the semester/official transcript. However, such students shall not be considered eligible for a position/scholarship in the relevant examination.

#### **15. GRADING SYSTEM**

15.1 The grading shall be done on a scale of 4.

15.2 Equivalence between Letter grading and Numerical grading shall be as follows:

%age Marks	Grade Point	Letter Grade	%age Marks	Grade Point	Letter Grade
80-100	4.00	A	57	2.43	C
79	3.94	B	56	2.36	C
78	3.87	B	55	2.30	C
77	3.80	B	54	2.24	C
76	3.74	B	53	2.18	C
75	3.67	B	52	2.12	C
74	3.60	B	51	2.06	C
73	3.54	B	50	2.00	C
72	3.47	B	49	1.90	D
71	3.40	B	48	1.80	D
70	3.34	B	47	1.70	D
69	3.27	B	46	1.60	D
68	3.20	B	45	1.50	D
67	3.14	B	44	1.40	D
66	3.07	B	43	1.30	D
65	3.00	B	42	1.20	D
64	2.92	C	41	1.10	D
63	2.85	C	40	1.00	D
62	2.78	C	Below 40	0	F
61	2.70	C	Result Late	----	RL
60	2.64	C	Withdrawal		W
59	2.57	C	Repeat		R
58	2.50	C	Incomplete	0.00	I

Passing marks for a course = 50% (C grade for semester and term system)  
Students obtaining D grade in course shall have to repeat that particular course (minimum 50% marks).

Note: The degree requirements for graduate (BS/MA/MSc etc.) programs shall be 2.50 CGPA.

15.3 Fraction of marks obtained in a course shall be counted as one mark, e. g. 60.1 and 60.9 shall be considered as 61.

Example:

Examination	Weight	Marks Obtained
Mid Term	30	19.0
Sessional	20	10.3
Final Term	50	40.1
TOTAL	100	69.4

The score shall be rounded to 70

15.4 In order to calculate the GPA, multiply GP with the Credit Hours of each Course to obtain total grade points of the course, add up to Cumulative Grade Points and divide by the total number of Credit Hours to get the GPA for the semester.

#### For 4-Year Program

In order to calculate the GPA, multiply GP with the Credit Hours of each Course to obtain total grade points of the course, add up to Cumulative Grade Points and divide by the total number of Credit Hours to get the GPA for the semester.

1st Academic Year

#### Example-I (Semester – I) (Must Pass at least 50% courses & obtain 1.75 GPA)

Course	Marks Obtained	Grade Point	Letter Grade	Credit Hour	Total GPS
C1	45	1.50	D	3	1.50×3=4.50
C2	53	2.18	C	3	2.18×3=6.54
C3	45	1.50	D	4	1.50×4=6.00
C4	42	1.20	D	3	1.20×3=3.60
C5	43	1.30	D	3	1.30×3=3.90
<b>Total</b>				<b>16</b>	<b>24.54</b>

GPA = 24.54 ÷ 16 = 1.53 (Dropped)

#### Example-II (Semester – I) (Must Pass at least 50% courses & obtain 1.75 GPA)

Course	Marks Obtained	Grade Point	Letter Grade	Credit Hour	Total GPS
C1	87	4.0	A	3	4.00×3=12.00
C2	68	3.20	B	3	3.20×3=9.60
C3	45	1.50	D	4	1.50×4=6.00
C4	60	2.6	C	3	2.64×3=7.92
C5	73	3.54	B	3	3.54×3=10.62
<b>Total</b>				<b>16</b>	<b>46.14</b>

GPA = 46.14 ÷ 16 = 2.88 (Promoted)

**Example-III** (Semester-II) (Must Pass at least 50% courses)

Course	Marks Obtained	Grade Point	Letter Grade	Credit Hour	Total GPS
C6	72	3.47	B	3	3.47×3=10.41
C7	69	3.27	B	3	3.27×3=9.81
C8	80	4.00	A	3	4.00×3=12.00
C9	38	0.00	F	3	0.00×3=0.00
C10	Withdrawal	-	W	0	----
<b>Total</b>				<b>12</b>	<b>32.22</b>

GPA = 32.22 ÷ 12 = 2.69

**Example-IV** (Summer Semester) (Minimum Required CGPA is 2.10)

Course	Marks Obtained	Grade Point	Letter Grade	Credit Hour	Total GPS
C9*	69	3.27	B	3	3.27×3=9.81
C10	Withdrawal	-	W	0	----
<b>Total</b>				<b>3</b>	<b>9.81</b>

\* Repeated

GPA = 9.81 ÷ 3 = 3.27

For calculating CGPA, sum total of GPs in an academic year earned in different courses multiplied by respective credit hours of a course and divided by total number of credit hours.

CGPA=(Total (GP×Credit Hours)of all courses )/(Total credit hours of all course)

Total grade points in 1st Academic Year (1st, 2nd and summer semester) = 46.14 + 32.22+9.81 = 88.17.

Total credit hours in 1st Academic Year = 16+12 = 28

(C9 is summer semester is repeated so its credit hours shall not be added again)

CGPA = 88.17 / 28 = 3.15 (Promoted)

2nd Academic Year

**Example-V** (Semester – III) (Must Pass at least 50% courses)

Course	Marks Obtained	Grade Point	Letter Grade	Credit Hour	Total GPS
C11	55	2.30	C	4	3.30×4=9.20
C12	50	2.00	D	3	2.00×3=6.00
C13	58	2.50	C	2	2.50×2=5
C14	38	0.00	F	4	0.00×4=0.00
C15	45	1.50	D	3	1.50×3=4.50
<b>Total</b>				<b>16</b>	<b>24.70</b>

GPA = 24.70 ÷ 16 = 1.54

**Example-VI** (Semester – IV) (Must Pass at least 50% courses)

Course	Marks Obtained	Grade Point	Letter Grade	Credit Hour	Total GPS
C16	51	2.06	C	4	2.06×4=8.24
C17	50	2.00	C	3	2.00×3=6.00
C18	40	1.00	D	3	1.00×3=3.00
C19	38	0.00	F	3	0.00×3=0.00
C20	30	0.00	F	3	0.00×3=0.00
C3*	52	2.12	C	4	2.12×4=8.48
<b>Total</b>				<b>20</b>	<b>25.72</b>

\*Repeated

GPA = 25.72 ÷ 20 = 1.29

For calculating CGPA, sum total of GPs in an academic year earned in different courses multiplied by respective credit hours of a course and divided by total number of credit hours.

CGPA=(Total (GP×Credit Hours)of all courses )/(Total credit hours of all course)

Total grade points in 1st Academic Year (1st, 2nd and summer semester) = 46.14 + 32.22+9.81 = 88.17.

Total credit hours in 1st Academic Year = 16+12 = 28

(C3 is summer semester is repeated so its credit hours shall not be added again)

CGPA = 88.17 / 28 = 3.15 (Promoted)

# SECURITY GUIDELINES FOR STUDENTS

## 1. Student ID Cards:

All students must carry and display their university ID cards at all times while on campus. Access to university facilities may be restricted without a valid ID card.

## 2. Guardian Visits:

If a student plans to bring a guardian to the university, they must obtain prior permission from the Registrar's Office and register their guest at the main gate. A full security check will be conducted for the guest's vehicle.

## 3. Departure During University Hours:

Students are generally not allowed to leave the university during class hours. In case of an emergency or essential business, students must obtain permission from their department's coordinator and ensure they receive a gate pass before exiting. Re-entry through the security office is mandatory.

## 4. Office Visits:

If a student needs to visit any university office, they must seek permission from the Registrar's Office and submit a copy of the permission letter to the security office one day in advance.

## 5. Prohibited Items:

Students are strictly prohibited from bringing any kind of weapons, drugs, or illegal substances onto university premises. Any violation will result in legal action and penalties.

## 6. University Hours:

Students are allowed to stay on campus until a certain time in the evening 5:00 PM. Beyond this time, they must provide a written request and receive approval from their respective department heads and the security office to stay on campus.

## 7. Valuables:

Students are responsible for the security of their personal belongings, including laptops, mobile phones, and other valuables. Lockers and safety measures are recommended for securing personal items.

## 8. Security Notifications:

In case of a fire, emergency, or security concern, students should promptly inform the security office by dialling 1122 or 15. This ensures timely response and assistance.

## 9. Unauthorized Parking:

Students are required to park their vehicles in designated areas as indicated by security personnel and adhere to specified rules and regulations regarding vehicle parking.

## 10. Parking Rules:

Only authorized and university parking sticker vehicles are allowed to enter in campus premises.

## 11. Safe Driving:

Students must adhere to the specified speed limits on campus roads and follow all traffic rules. Violations will result in legal consequences.
